Program for Accompanying Persons | 30th May 2019

Rack Railway

The Drachenfels railway is a rack railway line runs from Königswinter to the summit of the Drachenfels mountain at an altitude of 289 meters.

The line is 1.5 km long and single track. It is one of the only four rackways still operational in Germany.

Program

- 10:00 |** Meeting point at Marriott Hotel
- 10:00–10:30 |** Bus ride to the valley station
- 10:45 |** Journey with the rack railway
- 11:00 – 12:00 |** Guided tour in the Drachenburg (split up into two groups)
- 12:15 |** Short journey with the rack railway. Visiting the mountain plateau
- 12:45 – 13:00 |** Bus ride to Steigenberger Petersberg
- 13:00 – 14:30 |** Lunch at Steigenberger Petersberg with a fantastic view over the Rhine valley
- 14:30-14:45 |** Bus ride to Marriott Hotel

Drachenburg

Drachenburg is a private villa in palace style constructed in the late 19th century.

Today the palace is in the possession of the State Foundation of North Rhine-Westphalia.
